

U13 – Rob Mitchell

My name is Rob Mitchell and I'm really excited to have the privilege of being selected as Head Coach for the Mississippi Thunder Kings Major Peewee Rep B team for this upcoming 2020-21 hockey season.

I would like to extend an invitation to all new and returning 2008 players trying out for MTK Major Peewee this year and wish you all the best of luck in the tryout process. Updated and Detailed information related to try-outs will be posted on the MTK website soon.

Off-Season

Players are asked to take part in an off season training program (8-10 weeks) which will be shared in the coming weeks on the Team web page. It is my firm belief at this age off season training and preparation is key to both the players and the team success in the season ahead.

Philosophy

My goal as a coach is to provide the most competitive and hardworking environment for the players teaching accountability, trust and learning how to grow together as a group while fostering the long term development goals they require. Players can expect to be taught and driven to strive for excellence with their individual skills as well as improving the overall team concepts of the game. The expectation is if your coming out for this team you want to be at your best all the time both mentally and physically and are willing to put in the work and effort to become that player. Enjoy the process.

I am looking forward to an exciting and competitive hockey season ahead and wish everyone a safe and fun summer Best of luck in the tryouts.

Coach Rob
