

## U15 – Steve Darou

Hello players and parents !

I am extremely excited to be given the opportunity to coach the MTK major bantam U 15 group this year! This has been an awesome core group of individuals and I am thrilled to have the chance to coach and work with this group. One of my goals is to ice the most competitive team we can this season. I will be working hard to recruit as many players as possible so feel free to spread the word and encourage some more players to come out for tryouts.

I am the type of coach that definitely values and instills hard work, discipline and a team concept.

In my experience, as players reach Bantam and midget hockey, most want to maintain that competitive edge, while still having fun and enjoying the social aspect of hockey.

In terms of tournaments, I have looked in to a few, including the Bradford tournament (whole MTK organization attending again) after Thanksgiving, but due to the Covid situation, I will pass on more specifics about tournaments at a later date.

Again, I can't tell you how excited I am to be head coach of the MTK major bantam squad. If you have any questions for me feel free to reach out any time. Obviously I am very hopeful that hockey will happen this fall and looking forward to a great season.

Sincerely yours,  
Steve Darou
