

## U16 – Jay Jackson

Hi. My name is Jay Jackson & I look forward to coaching the U16 MTK team for the upcoming 20/21 season!

I plan on putting a hard-working and competitive team & coaching staff in place. We will work hard in practice & during off-ice sessions to build these young men up. We will focus on team chemistry, systems and what it takes to put forth the best effort every time we lace 'em up.

We will have fun, we will compete & we will represent the MTK brand with class & dignity.

I am excited for this opportunity & look forward to seeing you at the rink!

Cheers,

Jay
